

Protect Devices from Surges and Spikes with Surge Strips

UL Surge Protection for all 120 Volt Plugs

SGXMICRONET1

SGXMICRONET6

SGXMAXNET

SGXULTNET

Nearby lightning, heavy machinery start-ups and other momentary loads can generate surges and spikes on your power lines. Protect computers, printers, and other electronic devices from these PC killers with a quality Cutler-Hammer Surge Trap surge strip. They smooth out surges and spikes so that your equipment runs safely and without interruption.

Features

- Wall transformer spacing
- Data/telephone modem protection built-in
- LED indicators for proper grounded circuit and surge protection status

Specifications

Part Number	Outlets	Joules	Maximum Surge Current	UL	EMI / RFI Noise Rejection	Molded Color	LED Indicators	AC Plug	Power Cord	Telephone Cord Included, 6 foot	Response Time	Operating Temperature Range	On/Off Switch	Protection
